Subj: FREEDOM OF INFORMATION ACT REQUEST (FOIA)

1. This letter is in response to your FOIA request in which you requested a copy of a command investigation involving Series 4002, Company P. Your request was received on 14 August 2015 and controlled under DON-USMC-2015-009891.
2. The fees associated with your request are waived.
3. Upon review of the documents responsive to your request, I have determined that portions of the records sought are exempt from disclosure under 5 U.S.C. § 552(b)(6). These portions are exempt because the unauthorized release of this information would result in an unwarranted invasion of personal privacy. However, your name and personal information have not been redacted, as you are the requester, and that information is being released to you under the Privacy Act of 1974. Additionally, where full pages were removed in the document, pages were inserted detailing the applicable exemptions for removal.
4. Because some information has been withheld, you may consider this to be an adverse determination that may be appealed. If you have created an account in FOIA online, you may submit your appeal directly within the web-based system. To do this, you would log into your account, retrieve your original request, and then click on the "Create Appeal" tab in the left-hand column. The basic information from your request will be duplicated for you, and then you can type in the basis of your appeal. If you do not have a FOIA online account, you may send an appeal by regular mail to the Judge Advocate General (Code 14), 1322 Patterson Avenue SE, Suite 3000, Washington Navy Yard, DC 20374-5066. Your appeal, if any, must be postmarked within 60 calendar days from the date of this letter and should include a copy of your initial request, a copy of this letter, and a statement indicating why you believe it should be granted. I recommend that your appeal and its envelope both bear the notation "Freedom of Information Act Appeal."
